

GOODIE GOODIE BAGS

Rescue workers are some of the hardest working people in the world, and it is important for them to know how thankful we are for their service.

By making them goodie bags, we can show them exactly how much we care!

Instructions

Place pretzels on a plate.
Place an unwrapped Hershey's Kiss on each.
Microwave for few seconds to melt the chocolate a bit.
Press an M&M down into the top of each Hershey's Kiss.

- Only do a few at a time so the chocolate doesn't have time to harden.

Leave to cool on a cooling rack or place in the freezer for 10 minutes.

Place several treats in a in treat bag or wrap them in plastic wrap.

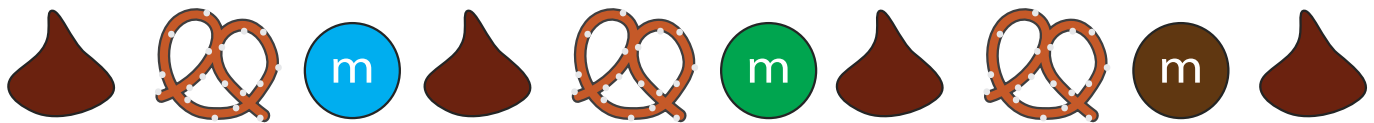

Write a small thank you message on a notecard or cut out the ones below.

Hole punch the card.

With ribbon, attach the card and tie the bags closed.
